DISCOVER SECRETS OF THE COLD WAR

HMCS OJIBWA, Canada's first Oberon Class submarine—huge, elegant, imposing. Prepare to be astonished by your experience aboard this amazing boat.

O-boats were renowned for their incredible capacity for stealth, making them key players for Canada and NATO during the Cold War. Visitors to OJIBWA will learn first-hand about the remarkable and dangerous missions they undertook protecting us from war.

TOURS AVAILABLE YEAR ROUND

June to Labour Day daily 10 am to 5 pm
See our website for September to May hours

Book your tour online at **www.projectojibwa.ca**
or call ***1-519-633-7641***

Call the Museum to book group tours, youth groups, school programs and coach tours.

THE REAL SECRET SERVICE

They left harbour in the dark of night and returned the same way, their crews coming and going dressed as regular dock workers to avoid detection by the enemy. It was for good reason that the submarine service was known as the real secret service.

"...we might have to slip into hostile harbours and remain undetected while gathering intelligence. The atmosphere would be electric, absolute silence throughout the submarine."

Jim "Lucky" Gordon
Submariner Sonar man
